### Questions for consideration in the open discussion on future NTIG meetings

1. What kinds of meeting structures work well? Updates, workshops, issues papers?
2. How often should we meet, and what is the appropriate balance of in person/online?
3. Support for the role of the subgroups to progress issues on behalf of the wider group? Participation in, and leadership of, those groups?
4. Future topics and issues for discussion and resolution?
5. Role of NTIG in the governance structures, including links with the Regional Operational Committees and the Water Policy Advisory Committee?
